About Us

A LEGACY OF TRUST
IN INDONESIAN AUDITING

Danang Iswani Astanto & Rekan ("DIAR")

is a registered public accounting firm in Indonesia that provides professional services in the areas of financial statement audits, taxation, and financial and business management consulting.

Lead by partners who are former members of the Financial and Development Supervisory Agency (“BPKP”) with extensive experience in both government and private-sector auditing, we are committed to providing compliance services and value-added solutions to domestic and multinational corporate clients, as well as nonprofit organizations.

Mission & Vision

Mission

A provider of high-quality audit and assurance services that upholds independence and the professional code of ethics; delivers strategic, accurate, and compliant tax and management solutions; promotes the continuous development of professional competencies for our entire team of auditors and consultants; and builds long-term partnerships based on integrity, transparency, and professionalism.

Vision

DIAR's purpose is to be a trusted, independent, and competitive public accounting firm—both nationally and globally—to support healthy business growth and create meaningful and sustainable impact for its clients.

Our Core Value

Integrity

Act with honesty, fairness, and firmness in all professional matters.

Professionalism

Provide the most competent technical expertise in every assignment.

Excellence

Be committed to exceeding standard expectations through innovation, meticulous attention to detail, and continuous professional development

Independence

Remain free from conflicts of interest to present credible opinions.

Synergy

Prioritize teamwork and harmonious partnerships to achieve optimal results for client satisfaction.

Our Partners

Best Team

A combination of senior accounting and legal professionals who ensure that all assignments are reviewed from both a strict regulatory compliance perspective and a sharp commercial perspective
